

Fundraising Committee Report - May 2016

World Famous Chocolate candy bar fundraiser is going slowly. All schools have participated with selling the chocolate in their main offices. If any PTO member would like to sell a box or 2(or 3) please contact Yolanda Guardino at the middle school.

The Wizards game is coming along very nicely thanks to the extraordinary work and effort of Mia Shervington. At last count we have sold approximately 300 tickets, with many of them being the higher priced ones. The students responded favorably to the visit on April 20.

The PTO sponsored the National Junior Honor Society induction ceremony reception at PKMS. 26 students and their families enjoyed cake,cookies,fruit salad and punch.

The PTO hosted the Career Day lunch at PKMS. The luncheon was attended by the 43 speakers that explained their professions to the students.

Respectfully submitted,

Yolanda Guardino
