**April 13 Graduation Photos:** Graduation Photos went very well. The children were very excited to wear their graduation caps and have their pictures taken. We thank the PTO for their assistance on this day.

**2016-17 Uriah Hill Students/Families visit Uriah Hill:** 2016-17 Uriah Hill students/families visited Uriah during the week of April 18 – 21. Families signed up for one hour slots - parents met with various school employees to fill out paperwork and the children participated in a screening. The Field Library also had an information table, and many families signed up for library cards. Things went swimmingly – it is felt that this event was a very positive beginning for students and their families into the Peekskill CSD.

**Uriah Hill Pre-K Parent Workshop:** Uriah Hill continued its parent workshop series. This was the fifth session, the focus being how parents can utilize the Field library. Staff from the Field Library presented – the session had a number of participants, and much useful information was shared.

**Nature of Things Assemblies:** On Wednesday, April 27, the *Nature of Things* provided wonderful presentations to Uriah Hill students about animals, with a focus on spring. These sessions are in alignment with Uriah Hill's current unit of study, *All about the Earth*.
