Items Requiring Discussion:

BOE Forum – need to set date, moderator and timekeepers

Upcoming budget vote – ways within rules to get word out in schools. How to distribute flyers, facebook posts, etc. Can we have any performances on campus that day?

Charter start up - likely to submit letter of intent on July deadline and if accepted full application in August – we need to have plan in place before school ends and begin to get word out in community

Immigration forum/education for staff and parents – can we hold forum, or replace a PTO meeting with Immigration forum? Other ways to provide information and resources, numbers to call in case of detention, making sure guardians are set up for children and that those guardians have permission to pick up children at schools, etc. Do we currently have a uniform policy and education at all buildings for all staff on what is and is not allowed to happen on campus re immigration enforcement?
