- EdWalk on October 4th was well attended! Thanks to the musicians and group of parents, children, and school board, city council and state assembly members who met us at the middle school after we walked from Ossining.
- We will be following up with Maria Bautista to see how our district can help support further efforts to collect on state funds owed to our public schools.

We've had to move our meeting a couple of times and are now looking at December dates.
