I reached out to all the class parents at Uriah Hill, Woodside, and Oakside to find out if anyone has reached out to teachers and planned anything fun or exciting. Only 2 parents replied. I don't view this as a complete picture of how the program is going, but I did not get the response I was hoping. I have heard bits and pieces here and there, but really can't get a full sense of how it's going. Next I will reach out to teachers to see if they can give me a better idea. The responses I did get were a Thanksgiving Feast organized by class parents; a class gmail address for class parents and teacher to access; a class parent organized nature walk for the class. An Oakside class parent reached out desiring to organize a Winter Door Decorating contest at Oakside. We have started organizing that.
