Together!

**Welcome to the Peekskill City School District  
Parent-Teacher Organization!**

We are a diverse and enthusiastic group of parents and teachers, working to build an exceptional school community for our students, parents, and staff. We organize field trips and enrichment programs, volunteer in our schools, host special events, raise money to support the school district, and advocate for a quality education for every child.

**We encourage all parents to get involved in the PTO!**

Our functional committees meet usually in the first two weeks of each month and our general meeting is on every third Wednesday of the month.

**Please join us!**
