

Dear Parents,

I am pleased to introduce you to our class parent(s) for this year:

Contact information for our class parent(s) is listed below.

The class parents are excited to work with you, your children, and all of the teachers at Uriah Hill. In order to organize parent volunteers, class parties, play dates and other school activities, we are asking every family to send in their contact information for our Class Contact List.

This list will be shared only with me and the other parents in the class. Please fill out the attached form and return it to us as soon as possible. If you choose to share your contact info, you will receive a copy of the Class Contact List in November.

Throughout the year, we'll be asking for parent volunteers to assist with classroom activities, such as reading to the class, working on craft projects, sharing a special skill or experience, and participating in class celebrations. Our year is off to a great start and we know it will be a fantastic experience for all of the children!

We look forward to working with you! If you have questions, please do not hesitate to contact your class parents at the numbers below.
