

The Best Play Dough

4 Tbsp oil

2 cups water

Food coloring

1 cup table salt

2 cups flour

4 tsp cream of tartar

Mix together oil, water, and food coloring. Stir in remaining ingredients. Cook on medium – low heat, stirring constantly, until mixture pulls away from sides of saucepan and forms a ball. This only takes a few minutes.

Remove from pan, cool slightly, and then gently knead.

Play dough will keep soft for a few weeks if stored in a ziploc bag.
