

**Peekskill CSD PTO
Committee Annual End-of-Year Evaluation Form**

Submission Date: 06/03/18

Month & Year: June 2018

Committee: Class Parents

Highlights of events/processes that worked well this year:

- New year class parent orientations went smoothly. Parents were excited and engaged.
- Class Parents helped Woodside pack Thanksgiving meals
- Class Parents provided volunteer help for various events
- Using Class Parents as an avenue for communication was successful

Areas in need of improvement & suggestions on how to make improvements:

- We need to get teachers more on board. We need to communicate more with the teachers and principals. Displaying that this is a great way to communicate with active parents.
- Need to connect better with parents throughout the year. I think more parents on the committee will help improve communication.

Should this committee continue next year in its current form? Why or why not? If not, what changes are recommended?

- I think we just need more people on the core committee. At least one parent for each Pre-K through 5th grade. We need to plan regular meetings.

Proposed itemized committee budget for upcoming school year:

Any other pertinent information necessary for planning:

- If I am selected as Treasurer, I will have less time devoted to this committee. A co-chair would be necessary.
