Committee Class Parents

Items Requiring a Vote:

N/A

Changes for next year:

- The committee will need to discuss class lists. The fact that we cannot obtain them parents makes an extra heavy burden for class parents if they are expected to obtain the info themselves. However, without them, the committee cannot communicate school wide needs and PTO needs to the general public. The committee will only have information for the class parents.
- The orientation needs to be done differently. By waiting for all the back to school nights to be done, orientation can't be scheduled until late October and that is just too late.
- We need to work more on participation and commitment from teachers, parents and committee members.

What we accomplished this year

- Organized Coffee and Prep at Uriah Hill
- Building up a great committee
- Communicated out information, but had difficulty obtaining volunteers
- Made books for Woodside
