

**Peekskill CSD PTO
Classroom Parent Report Form**

Submission Date 2.28.20

Report Month /Year March 2020

Committee _____ Class Parent _____

Items Requiring a Vote:

- None

Items Requiring Discussion:

- To increase the presence of the PTO the Class Parent program is looking at being present at the Pre-K assessments to offer support to incoming parents. We will be working with administration to offer refreshments during the sessions while parents are waiting for their children. We will also be looking for volunteers to assist with being present. The goal is to add a face to the PTO, to show incoming families the PTO is a welcoming support group and that all new families are part of the community.

Items for Information Only:

- Class Parent chairs met with Woodside administrators and staff to plan parent engagement opportunities for the remaining school year. It has been discussed to make the parent engagement opportunities school wide both in and outside of the classroom. This change was made to help streamline when parents are in the school and offer the opportunity to all classes at the same time. Flyers were sent home on the opportunities and follow up communication will be sent out in the coming weeks. Staff communication is also in the works.
- Class Parent program met in January with Woodside grade coordinators to discuss ongoing activities at Woodside. Feedback was gathered to share with the administration and will be incorporated in the upcoming flyers for the engagement opportunities.
