Uriah Hill

- Interest form went out, about 23 parents replied. They have been connected with their teachers. Teachers should have emailed the class parents this past week to make a connection. Teachers received google form and hard copy of a survey to collect others parents in the class' information
- UH CP Committee asked that class parents record themselves reading a book that they can share with their classes by 11/16
- This week (11/9) I will email the CP about setting up a zoom meeting to plan out a monthly activity for the rest of the year. Will also invite teachers to this.

Woodside

- After speaking with Ms. Rodriguez, we brain stormed two opportunities for parents to be involved. One way is possibly helping the teacher during the zooms in small group instruction and another way is to host social activities via zoom for students in the class.

- I have emailed Ms. Rodriguez a google form in English and Spanish for her to email out to families. From there we can contact those teachers who had parents volunteer. Then have a virtual meeting about participating in the classrooms.

Oakside

- Touched base with Ms. Hernandez about doing something similar at Woodside. Waiting on a list of teachers so that I can make the google form.
