

**Peekskill CSD PTO
Committee Annual End-of-Year Evaluation Form**

Submission Date: 5/7/21

Month & Year: _____

Committee: Class Parent _____

Highlights of events/processes that worked well this year:

Uriah Hill virtual meet ups. Collaboration with Uriah Hill class parent committee

Areas in need of improvement & suggestions on how to make improvements:

For the class parent program to work and not be so labor intensive on the PTO side, there should be a committee or teacher representatives from each building that could work with a point person on the PTO. It is difficult when the principal is the point person because they are very busy and do not always respond in a timely manner.

It would be helpful if this was sorted out in September so the teachers and parents could plan the year out.

Should this committee continue next year in its current form? Why or why not? If not, what changes are recommended?

- PTO member representing each building
- Teacher representative at each school.

Proposed itemized committee budget for upcoming school year:
