

**Peekskill CSD PTO  
Committee Annual End-of-Year Evaluation Form**

Submission Date: June \_\_5\_\_, 2022

School Year: 2021-2022

Committee: Special Events/Enrichment

**Highlights of events/processes that worked well this year:**

Trunk or Treat  
Book Giveaway  
Black History Month Museum  
Women's History Month Museum  
Friendship Month Craft Make and Take

Although we were not able to carry through many of our ideas/plans this year, we were still able to host these events at Saturday Academy.

**Areas in need of improvement & suggestions on how to make improvements:**

We have discussed that we would like to plan one event at each school to best meet the needs of the different aged students. We also discussed that having a lower level and upper level focus would be helpful. We would also like to plan some of our "own" events with possible partnerships with student athletes, parks and rec. etc. We would like to bring in enrichment programming to the schools, but this year we were very limited.

**Should this committee continue next year in its current form? Why or why not? If not, what changes are recommended?**

Yes, this committee should definitely continue. The one suggestion that we spoke about was to break out into a lower and upper focus. We found that the middle school and high school were often left out.

**Proposed itemized committee budget for upcoming school year:**

I feel that we should use the budget set from the previous years, as we did not need to spend money with the exception of two events. The other events were possible through donations.

**Any other pertinent information necessary for planning:** There will be a need to find a new chair and members. I will be available for support as needed.
